Andre's Corner
The day I met Andre
in 2005

2003 French Open

Andre's last French Open
appearance in 2005

In 1995 Andre's serve had
improved a great deal

an asset to his game

Andre first became #1

Andre's Volley improved but

1st Australian Open title

Four months after his

Andre's 1st great comeback occurred in 1994

The day Andre finally won
the French Open back in 1999

At 17, I still wanted to dress like
Andre 5 years before

My forehand never looked like Andre's,
yet it became a solid weapon

In 1999 I visited Wimbledon after Andre's
defeat in the final against Sampras

2001: The year I worked at Roland-Garros

At only 8, I was already a big tennis fan

As a French teacher in Los Angeles
I had to wear a suit and tie everyday...

My best friend and I, cheering
for Andre in 1996
